

Valeriya Kozlova

JUNIOR WEB DEVELOPER

kozlova.valeriya.v@gmail.com

0489372520

Belgium, Charleroi

Profile

After having acquired enough experience in tourism, I have started looking for a new branch with unlimited possibilities. I moved to Belgium, and I tried to get started in programming. Then the code became my passion. I love web development, and also I am interested in mobile development and all current technology existing in development.
